Dear Parents / Guardians

The school regularly arranges for students to participate in programs and activities at school that are a variation to the regular routine. We aim to streamline the process for informing parents and obtaining permission.

Our policy is to obtain a blanket permission for minor variations to routine and for regular yearly activities. This note gives permission for many incidental school activities. Some of these activities may be a walking excursion to visit the nearby nursing homes, placing photographs and/or names of students in our school newsletter, the newspaper, or facebook.

The school has an athletics and swimming carnival each year which are part of the yearly routine. Children are usually transported by bus to these events. Sport activities are conducted each week, and some involve bus transport to and from venues.

As you can see a lot of time is spent sending home notes for permission. We hope this note will make communication between home and school easier for everyone.

If you have any questions, please don't hesitate to contact the school, or speak to your class teacher.

Please fill in each question on the back of this form and return to school as soon as possible. It is very important that we have one of these permission notes for each child at our school.

Thank you for your cooperation.

Sincerely,

Samantha Rowsell
Principal
