Message from the P&C Committee

The fete last Saturday was a great success and people enjoyed themselves participating in all the activities on offer. We would like to thank the support of the school community as well as all the parents and teachers who volunteered their time on the day. We are still finalising the accounts but it looks like we raised at least half the money we need for new playground equipment. We will announce the final amount raised next term.

We are grateful to the local businesses who supported our fete with donations. Please support the businesses who supported our school.
