## NSW PSSA Netball Knockout

Last Wednesday the 9<sup>th</sup> of August the Lismore Public School Senior Netball team travelled to Casino West Public School for Round 5 of the NSW PSSA Netball knockout. The game was a great game and the girls played well.

Unfortunately Casino West beat us and knocked us out of the competition.

Regardless of the result the girls played very well and I couldn't be more proud of the progress they have made over the course of the year. A special mention and thank you needs to go to Monica Hammond who helped out with training, coaching and organising our new netball dresses.

Meagan Duroux - Teacher

Chloe B	•Nothing describes her better than 'Pocket Rocket'. Her first time ever playing netball this year and she played centre without ever slowing down.
Chloe U	•Chloe impressed both Monica and myself in the last game against Casino West with some amazing intercepts.
Ruby	•Ruby's progress this year has been astounding and she's not afraid to go after the ball.
Whitney	•Amazing natural ability and can read the play very well. Many comments from other coaches asking how they can get Whitney to play in their Saturday teams.
Keira	•Keira's competitive nature had her taking feedback from the coach and always ready to try different strategies to get in front of the defence.
Lola	•Lola's defence in our last game was awesome and she persevered and never gave up against a tough opponent.
Cyla	•Cyla is the most experienced netballer on the team and she supported all the girls (including me) in tips during training to improve their game.
Sharleze Gianna	•An extra special thank you to these two girls who were the teams reserves. These girls were always ready to take the court if needed but most importantly they were always at training with a smile on their faces and helped put the other girls through their paces.

## Principal's Report

### Stronger Smarter

The Stronger Smarter Leadership Program supports educators in providing excellence in teaching practices and school culture. Each year, for the past three years, Lismore Public School has participated in the program. During the intensive program, staff gain skills and strategies to promote positive changes within our school community. Juanita Hendricks, Liz Hoskins and Jenica Stephenson attended the Program this year and are proud to join the Stronger Smarter team in further developing **high expectations relationships** with all members of Lismore Public School.

### NRPSA Athletics

Well done to all Lismore Public students who attended the Zone Athletics Carnival last Friday. Congratulations to Jazlee, Beatrice and Warren who have made it through to the next level.

### Creative Arts Camp

Congratulations to the seven students who attended the Creative Arts Camp last week at Lennox Heads. Their behaviour was outstanding and they participated in and enjoyed several activities throughout the week. The students were involved in Visual Arts, Concert Band, Vocal Ensemble, Media and a group called Strings 'n' Things.

**A huge achievement to Sebastian B on receiving an invitation to join the State Band on drums. Congratulations!**

### Performing Arts Festival

The Lismore Performing Arts Festival will be held in Week 7 and is fast approaching. The notes for the Dance Group, Senior Choir and Band were distributed to all members of these groups last week and need to be signed and returned as soon as possible to school.

To ensure you are not disappointed please purchase tickets from the Workers' Club promptly.

### Years 5 & 6 Interrelate Program

We offer this valuable program each year to our Year 5 & 6 students. The Year 6 program is Moving into the Teen Years and helps prepare students for High School by exploring a range of adolescent issues. The Year 5 program is Minding Me and explores the value of good communication within families and relationships, as a way of better understanding each other and reducing conflict. Notes were handed out this week and we ask that all students return them as soon as possible.

### Illness

There has been a lot of staff and student absences in the last week or two due to the flu and other illnesses in the community. Thank you to the students who have coped so well with changes in teacher and routines during this time. If your child complains of not feeling well, particularly with a tummy bug, please keep them at home so we are not sharing the germs.
