## Creative Arts Camp

Lake Ainsworth Sport and Recreation Centre Lennox Head August 6<sup>th</sup> – 11<sup>th</sup>

One hundred and sixty students from NSW North Coast Public schools were invited to participate this year in the camp organised to provide CAPA learning experiences provided by professional staff. All staff commended the students throughout the camp for their maturity, respect and willingness to get the most out of every moment of the camp. After breakfast and choir each morning the students worked together in their main group which may have been concert band, visual arts, vocal ensemble, strings and things, dance or drama. The afternoon was spent working on an elective where students had many exciting choices to explore. The sport and recreation staff and teaching staff supervised recreation activities before a shower and dinner each day. After dinner the students presented items in their own 'talent quest'

and there were more sports games for a short time before bed. The camp culminated in an impressive concert where each group show-cased their learning through the week. During the concert Sebastian Banister from LPS was one of the few students to receive an invitation to join the DET State Band in the percussion section.

Chloe - I think Creative Arts Camp was a good opportunity for me to make new friends. The cabins were neat and tidy and the food was great. The staff were nice. I had the most fun in the afternoon activities where we went canoeing, did archery or joined in Initiatives which was mini challenging games. I wish I could get to go again. PS The shirts we got were awesome.

Emily - I think Creative Arts Camp was a good opportunity to learn different things and improve on some things. The food at camp was really good. The accommodation where we slept was amazing. We had lots of activities throughout the day such as archery, initiatives and canoeing.

Max - I'm Max. I was one of the lucky kids who got to go to Creative Arts Camp. I got some new friends and did amazing activities like kayaking, archery and beach games. It is a blast every year and a great opportunity to make new friends. Go grab an instrument or grab a pencil or a camera so you can join in the fun next time.

Looks like:

Lots of work. Smiles on their faces. Happy.

Feels like:

Good. Excited feeling. Safe. Comfortable.

**By 1/2S**

A good teacher does fun things, is creative, helps you learn, keeps you safe and takes care of you, allows free time, colouring and let's you run.
